

*Somehow Its Not The Same*

*Its not the same without Alex,  
Somehow it's not the same.  
He's not there to have fun with,  
Somehow it's not the same.*

*Its not the same without Alex,  
Somehow it's not the same.  
He's not there when I need him,  
Somehow it's not the same.*

*Its not the same without Alex,  
But although he's not here  
His memories will always be  
with me,  
For us all to hold dear.*
